

Extraction of Birth Certificate

Extraction of birth certificate is not done by the High Commission. You can get an extraction of the birth certificate by sending the application form directly to Malaysia.

Please download the application form at [JPN.LM12-English.pdf](#).

Complete form JPN.LM12 (Application for Search & Extraction). For Sabah, please complete a different form - Borang N1.

Required Documents

1. A certified copy of applicant's identification (passport, birth certificate, etc.).
2. Payment of **AUD 5.00** in cash which would cover the fee and return postage.

Submit the form with all related documents (using International Registered Post) to:-

**Director, Death & Adoption Division
National Registration Department
Level 4, No. 20 Persiaran Perdana
65221 Putrajaya**

If you require further information or clarification on the required documents, kindly visit JPN website at <http://www.jpn.gov.my/> or contact JPN at +603 8880 7000 (general line).
